		Revision:	Rev 25A
<h2>Environmental Policy Statement</h2>		Date of Issue:	25/07/2025
		Author:	VS
		Authorised by:	DW

In our pursuit of Engineering Excellence it is our policy to maintain an Environmental Management System (EMS) conforming to the requirements of **BS EN ISO 14001: 2015** as the basis to protect and improve the environment. We will work to integrate environmental considerations into our business decisions and adopt greener alternatives wherever possible, throughout our operations.

In order to discharge its responsibilities management will:

- Bring this Environmental Policy Statement to the attention of all **stakeholders**;
- Carry out **regular audits** of the Environmental Management System (EMS);
- Comply fully with all **relevant legal requirements, codes of practice and regulations at International, National and Local levels**;
- **Eliminate risks** to the environment, where possible, through selection and design of materials, buildings, facilities, equipment and processes;
- Ensure that **emergency procedures** are in place at all locations for dealing with environmental issues;
- **Establish targets** to measure the continuous improvement in our environmental **performance**;
- Identify and manage environmental **risks and hazards**;
- Improve the environmental efficiency of our **transport and travel**;
- Involve customers, partners, clients, suppliers and subcontractors in the implementation of our **objectives**;
- Minimise **waste and increase recycling** within the framework of our waste management procedures;
- Only **engage contractors** who are able to demonstrate due regard to environmental matters;
- **Prevent pollution** to land, air and water;
- Promote **environmentally responsible purchasing**;
- Provide **adequate resources** to control environmental risks arising from our work activities;
- Provide **suitable training** to enable employees to deal with their specific areas of environmental control;
- Reduce the **use of water, energy and any other natural resources**;
- Source materials from **sustainable supply, when practicable**.
- Are ommitment to the protection of the environment, including prevention of pollution and mother specific commitment(s) relevant to the context of the organization. climate change mitigation and adaptation, and protection of biodiversity and ecosystems.
- Are commitment to fulfil its compliance obligations.
- Are includes a commitment to continual improvement of the environmental management system to enhance environmental performance.

This Environmental Policy will be reviewed at least annually and revised as necessary to reflect changes to the business activities and any changes to legislation. Any changes to the Policy will be brought to the attention of all stakeholders.

Dominic West
Managing Director
